

IMMANUEL LUTHERAN SCHOOL

*Preparing for Tomorrow with...
Christ Centered Education Today*

4

Learner Objectives for Fourth Grade

In the following academic areas, successful fourth-grade students will be able to:

Religion

- Grow in their relationships with God, fellow Christians, non-Christians, and God's creatures and the world
- Learn and use Bible stories (Old Testament and New Testament) as insight into what God is like and what God wants His people to be like

Language Arts

- Nouns, verbs, adjectives, pronouns, and adverbs, and how to correctly use them
- Writing a personal narrative, fictional stories, a research report, a persuasive paragraph, descriptive writing, and comparison and contrast
- Reading and analyzing various types of literature
- Spelling
- Correct punctuation, capitalization and grammar

Physical Education

- Focus on cooperation, skill development, and fitness
- Fitness activities that influence their behavior and their relationships to others throughout their lives

Social Studies

- Use the four themes of geography to study the regions of the United States:
 - 1) locating places (map skills);
 - 2) what a place is like (landforms, climate);
 - 3) how people live (using natural resources, earning a living);
 - 4) movement of goods and people (transportation, interdependence)

Science

- Properties of matter
- Earth's land resources
- Weather and climate
- Magnetism and electricity
- Body's delivery system

Music

- Development of the voice as the student's primary instrument
- Development of rhythm through age appropriate activities
- Exposure to both sacred and secular songs
- Music theory, history, and appreciation instruction
- Pre-band instrumental instruction

Math

- Mastery of multiplication and division facts
- Addition and subtraction of 2 digit and 3 digit numbers
- Multiplication and division by one digit and 2 digit numbers
- Basic measurement, time, and geometry
- Comparing, ordering, addition, subtraction of fractions and decimals
- Collecting, organizing, and using data
- Mental Math
- Problem Solving Skills
- Apply Math Concepts

Art

- Continue to explore the elements and principals of design
- Explore how other artists use these elements in their work
- Work with others for small and large group activities
- Continue to develop confidence in their skills

IMMANUEL LUTHERAN SCHOOL

How can I help my child succeed in school?

- Pray with and for your child on a daily basis
- Attend worship services regularly
- Encourage your child to attend school every day
- Show real interest in your child's assignments and homework
- Be available to assist your child with homework
- Be positive and realistic about your child's ability level
- When your child is absent, be sure to inform the school and check to obtain missed work
- Talk with your child about his/her learning experiences in school
- Encourage your child to ask questions
- Challenge your child in his/her areas of strength and provide support in areas of weakness
- Communicate often with your child's teacher — ask how you can help at home
- Encourage your child to value education and learning by stressing the importance of quality education
- Help your child be prepared each day to do his/her very best
- Become actively involved in your child's education by attending school functions, open houses and parent teacher conference

Mission Statement

As guided by the Holy Spirit, Immanuel Lutheran School strives to educate every child to be an academically successful student, a socially responsible citizen, and a Christian witness to his/her fellow human beings. The purpose of Immanuel Lutheran School is to help each child reach his potential physically, spiritually, socially, mentally, academically, and emotionally in a Christ — centered environment.

Our School

Immanuel Lutheran School, an accredited parochial elementary school with Pre-Kindergarten through Grade 8, is maintained and supported by Immanuel Lutheran Church, Belvidere, Illinois.

Our Teachers

Immanuel's teachers are Christian men and women committed to sharing their faith in Christ with their students. They are graduates of accredited institutions and are certified by the State of Illinois.

Our Curriculum

The curriculum for ILS is based on the Word of God. Our Christian faith forms the foundation upon which all instruction and learning are based. Many of our textbooks are the same as those used in public schools. Instruction by the Christian teacher makes our curriculum Christ-centered.

Responsible Living

ILS emphasizes care and concern during each school day. The needs of children are given high priority. Faculty and staff members are specially trained professionals who strive to be persons living under the will of God. The school community fosters a sense of togetherness which leads to respect for each other, for instructors, administrators, parents, and for one's self and our Lord.
